

Xtreme Ultra Series Friction Feeders

The Xtreme Ultra Series delivers state-of-the-art technology, performance, and versatility at the best value on the market.

The **Xtreme XM-12 Ultra** features state-of-the-art technology for use in high-speed batch counting applications. With belt speeds of 750 ft./min., the XM-12u is the fastest feeder on the market today. Use in batch count, one-shot, or continuous run mode for inline use with shrink-wrapping and poly-bagging equipment, or individual offline batch counting.
