Automated Pick and Pack Solutions for E-commerce, 3PL, and Kitting

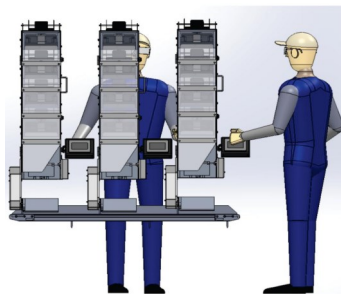

Are you looking to automate your pick and pack processes to include Advertisements, Coupons, Instruction Sheets and more? Superior-PHS has developed the Tower Collator for automating feeding/collating of marketing materials right at your pick and pack stations. Easily add advertisements, coupons, menu cards, instruction sheets, manuals and more to your orders.

Tower Collator

The Tower Collator features:

- Four Vertical Dispenser Stations per tower
- Connect multiple 4-station systems together to create more capabilities
- Stage literature for pickers and packers to manually add to orders
- Automatically dispense literature into boxes, cartons bags & totes
- Selectively dispense for 1 to 1 marketing via barcode read

Multiple Towers with auto-collating tray
